Bend

Bend

İşini seven, yoğun bir tempoyla çalışıp saatler boyu ofisinden hiç çıkmayan yöneticiler, “verimli bir çalışma ortamı”nın ne demek olduğunu iyi bilir.

Bend'in tasarımı; büyük hedeflere doğru disiplinle yol alan VIP ofislere yalınlık ve dinginlik getiriyor. Özellikle masaların ikili kullanımı, toplantı masalarının tasarımı, son derece işlevsel. Bend, yarattığı üretken alanlarla şirketlere geniş vizyon, önemli kararları için altyapı sağlıyor.

Managers, loving their job and never leaving the office to work a lot, know what an effective atmosphere is.

Design of Bend brings to the VIP offices that go to big targets strictly, simplicity and calmness. Especially; usages of dual table and design of meeting table are so effective. Bend provides to firms' large vision with its creation of productivity areas and gives substructure them for important decisions.
